THIS IS AMENDMENT ONE (1) TO THE INVITATION FOR BID.

Question #1:

Section 4.2 uses the term: “license plate manufacturer”. Can the DOR confirm this term is used in error?

Answer:

Yes. The correct verbiage is “Print on Demand manufacturer.”

Question #2:

Section 4.3 asks for the bidder’s experience providing license plates. Can the DOR confirm this is used in error?

Answer:

Yes. This should read provide Print on Demand registration forms and decals to another state in the US during that time at a rate of at least 3,221,070 registration forms per year, for at least one year prior to submission of its bid.

Question # 3:

Does the term: “reflective sheeting manufacturer” used in Section E. Production Equipment refer the bidder? How should this be interpreted in proposals where sheeting is sourced?

Answer:

Yes, this refers to the winning bidder. This can be interpreted to mean that DOR nor county offices will use the printers for anything other than what the bidder determines as proper use.
